Thorney Close Primary School now has a school website! We are in the process of developing the site, gathering all the information that we think will be useful for children, parents and carers. It is the first time we have done anything like this so if there is anything you would like to see put on the website please do not hesitate to contact the school office.

Important Dates

Saturday 20th June — Woodtastic Event

Monday 22nd June — Year 4 visit to Rainton Meadows

Wednesday 1st July — Summer Fair

Just a reminder that the Woodtastic event will take place tomorrow between 10am and 2pm. Woodtastic is a creative fun day for the family. All ages are welcome; however, all children under the age of 16 must attend with an adult. All of the wood, nails and tools will be provided. All you need to do is come along with your great ideas and with a packed lunch to keep you going.

The class with the most pupil reward points last half term was class 1W. Miss Wharton is currently discussing with her class what they would like to spend their £150 on. We will keep you updated as to what fun activity they choose to do.

Thank you to everyone who has sent Sainsbury's Active Kids vouchers in to school. We are in the process of counting up all the vouchers that have kindly been sent into school and choosing what we can buy with them. If you have any odd vouchers lying around at home we would really appreciate having them at school.

Please can we remind parents to pay dinner money promptly!
