Birthday Celebrations!

The following children celebrate a birthday this week.

Happy Birthday to Ivan B,

Nicole R.

On Thursday morning children in Year 2 participated in a fun tennis session at the Puma Centre in Silksworth. Children were introduced to the game of tennis, learning different skills and techniques. Five children from the class were so good and showed great potential that they have been invited to participate in some additional tennis sessions.

Breakfast club
costs 80p per
day

Next Friday (20th November) is Children in Need. Children will be taking part in various fun activities. Parents are invited into school on the morning to join in with the activities with their child.

A letter will be sent out the beginning of next week with further details.

HELP! We would like to build up a list of helpers that could come into school to help out, especially on school trips. We welcome help from parents/carers or grandparents. All helpers will need to be CRB checked (forms obtained from school). If you would like to help out especially on school trips please contact the school office.

Handwriting

We are currently changing our school handwriting scheme back to a more cursive flowing style. We will send you a copy of the letter formation next week after we have introduced it to the children. All children will have to earn their pen license demonstrating that they are ready to use a pen neatly and effectively. Any queries please see Miss Diggle, Literacy Subject Leader.
